CHAPTER 70

THE END of HANA and DRUCKER

Searching through files, Matt Neuenberg finds Hana and Drucker hacking into The Company's mainframe. Neuenberg is forced to download the entire database into his memory in order to protect The Company's files and stop Hana and Drucker from gaining access to them.

Drucker! What's happening?

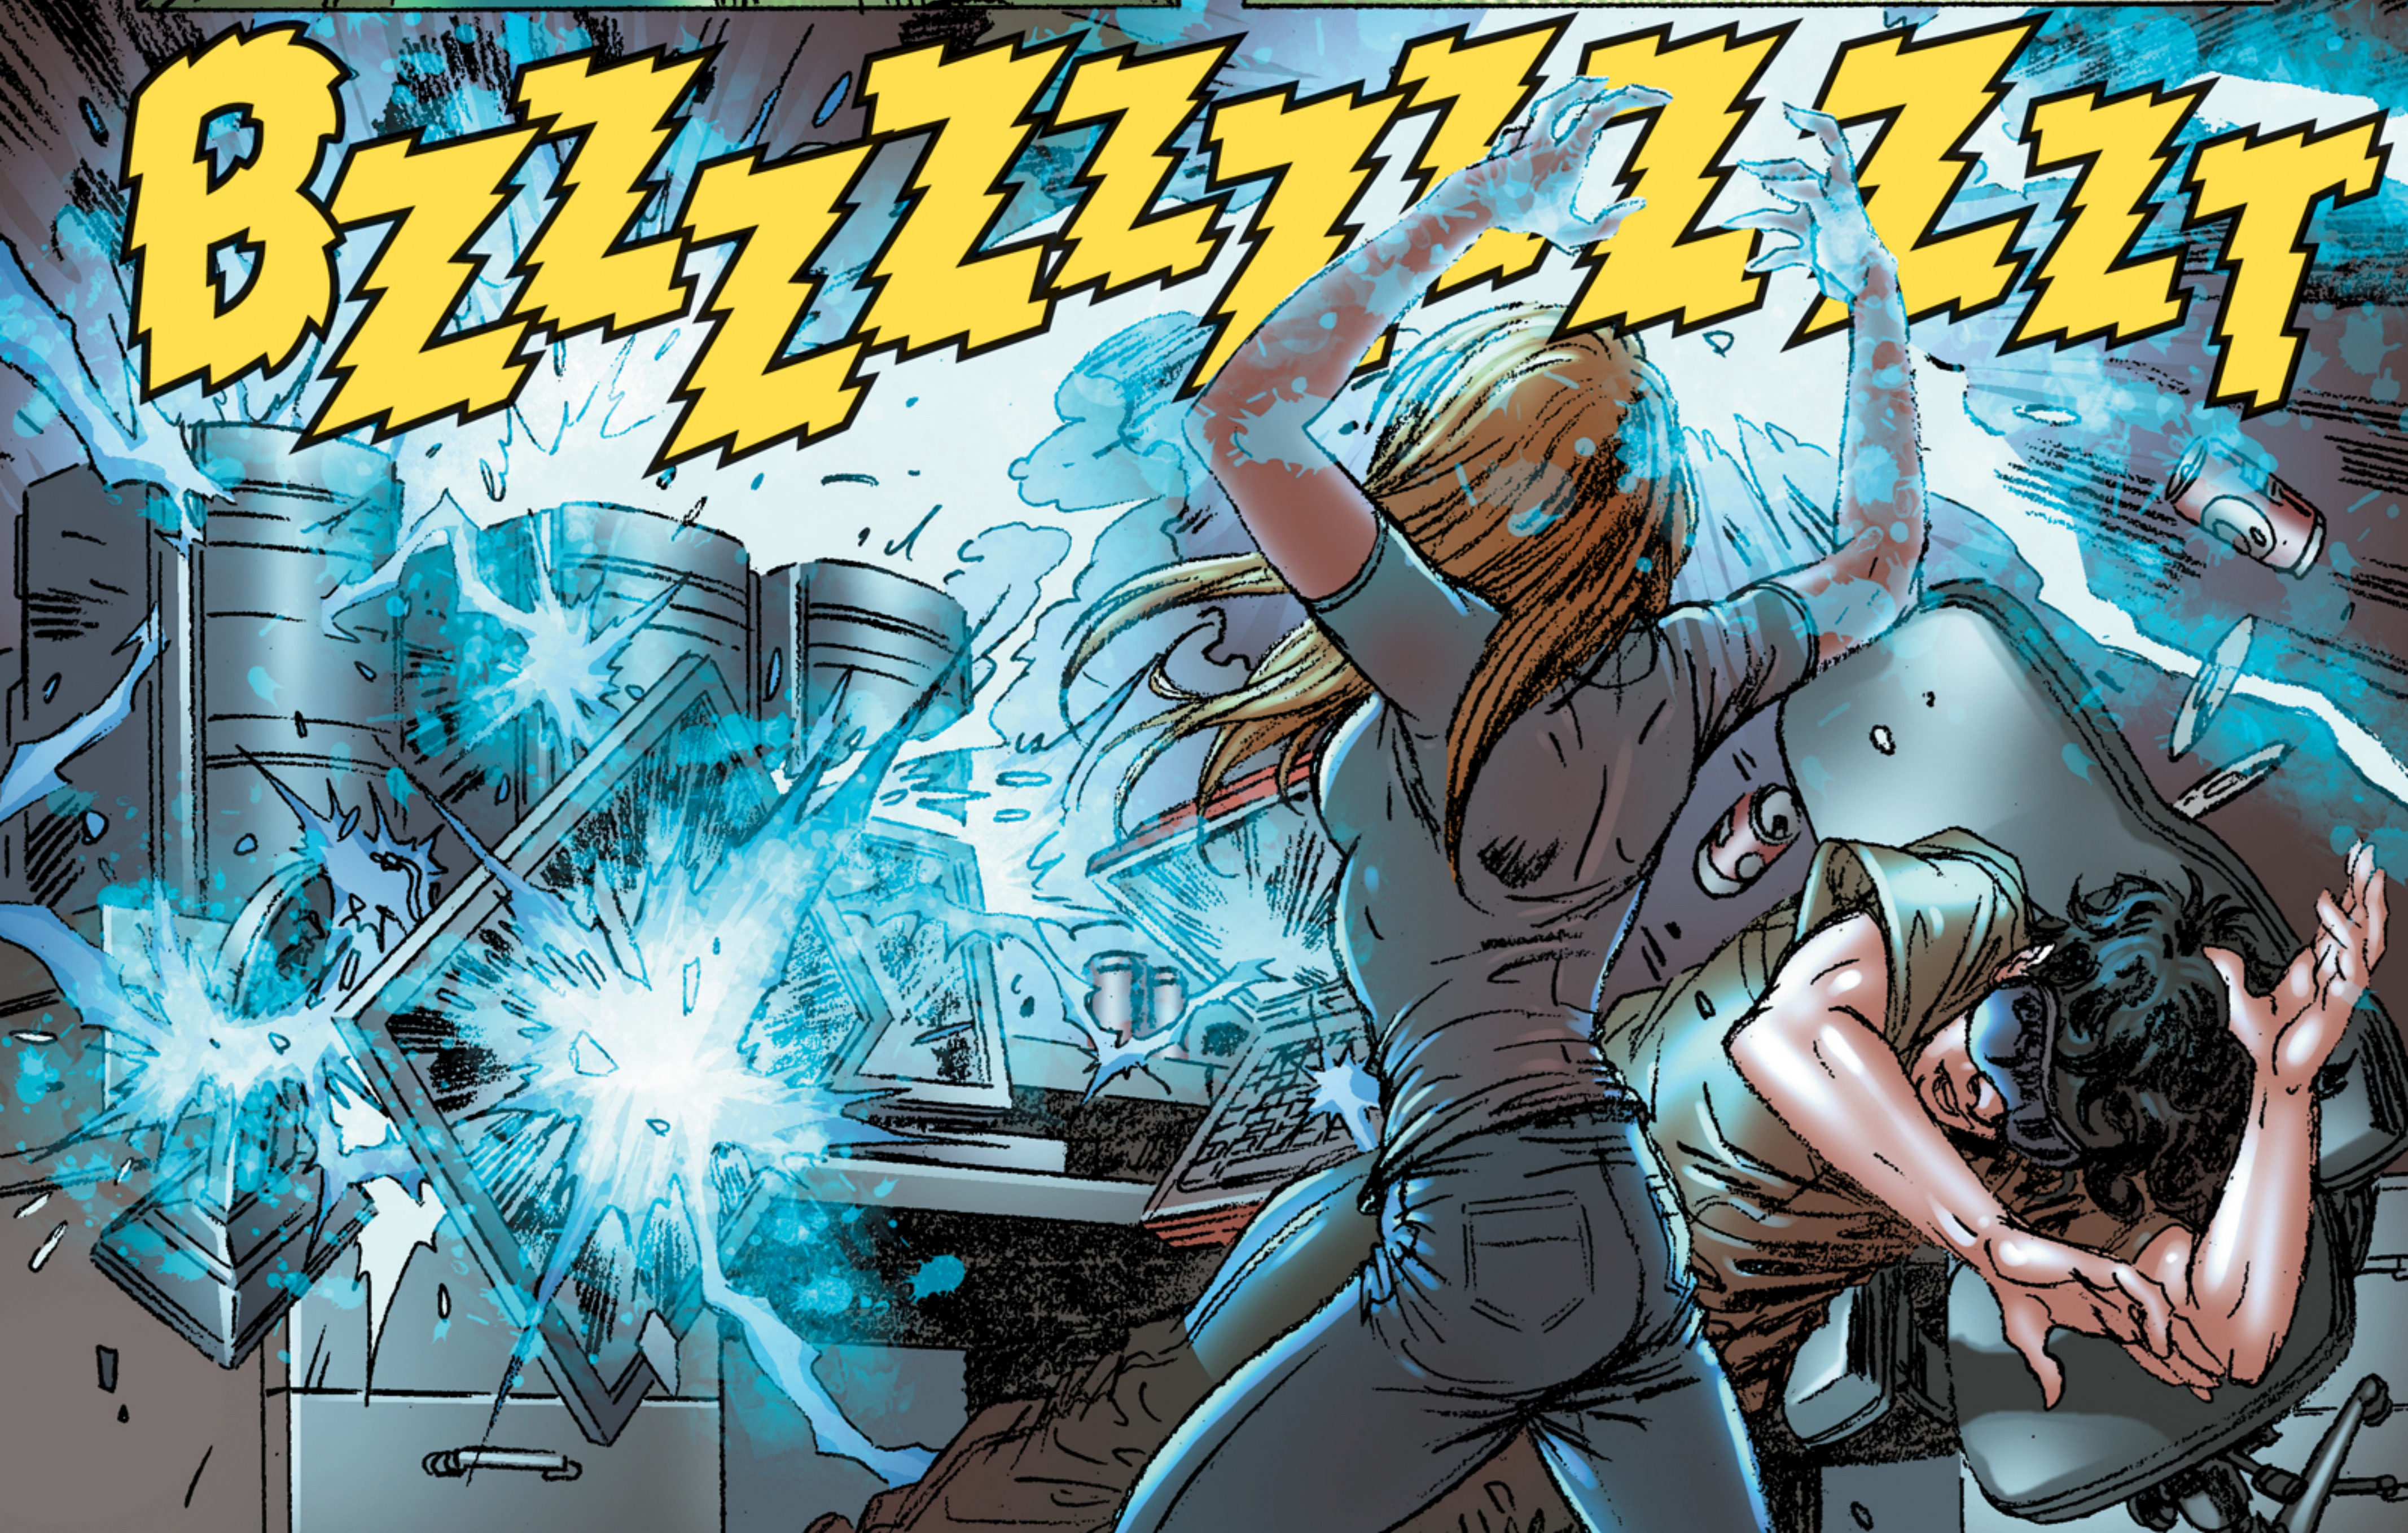

**We've been
discovered!
They're
backing up the
mainframe.**

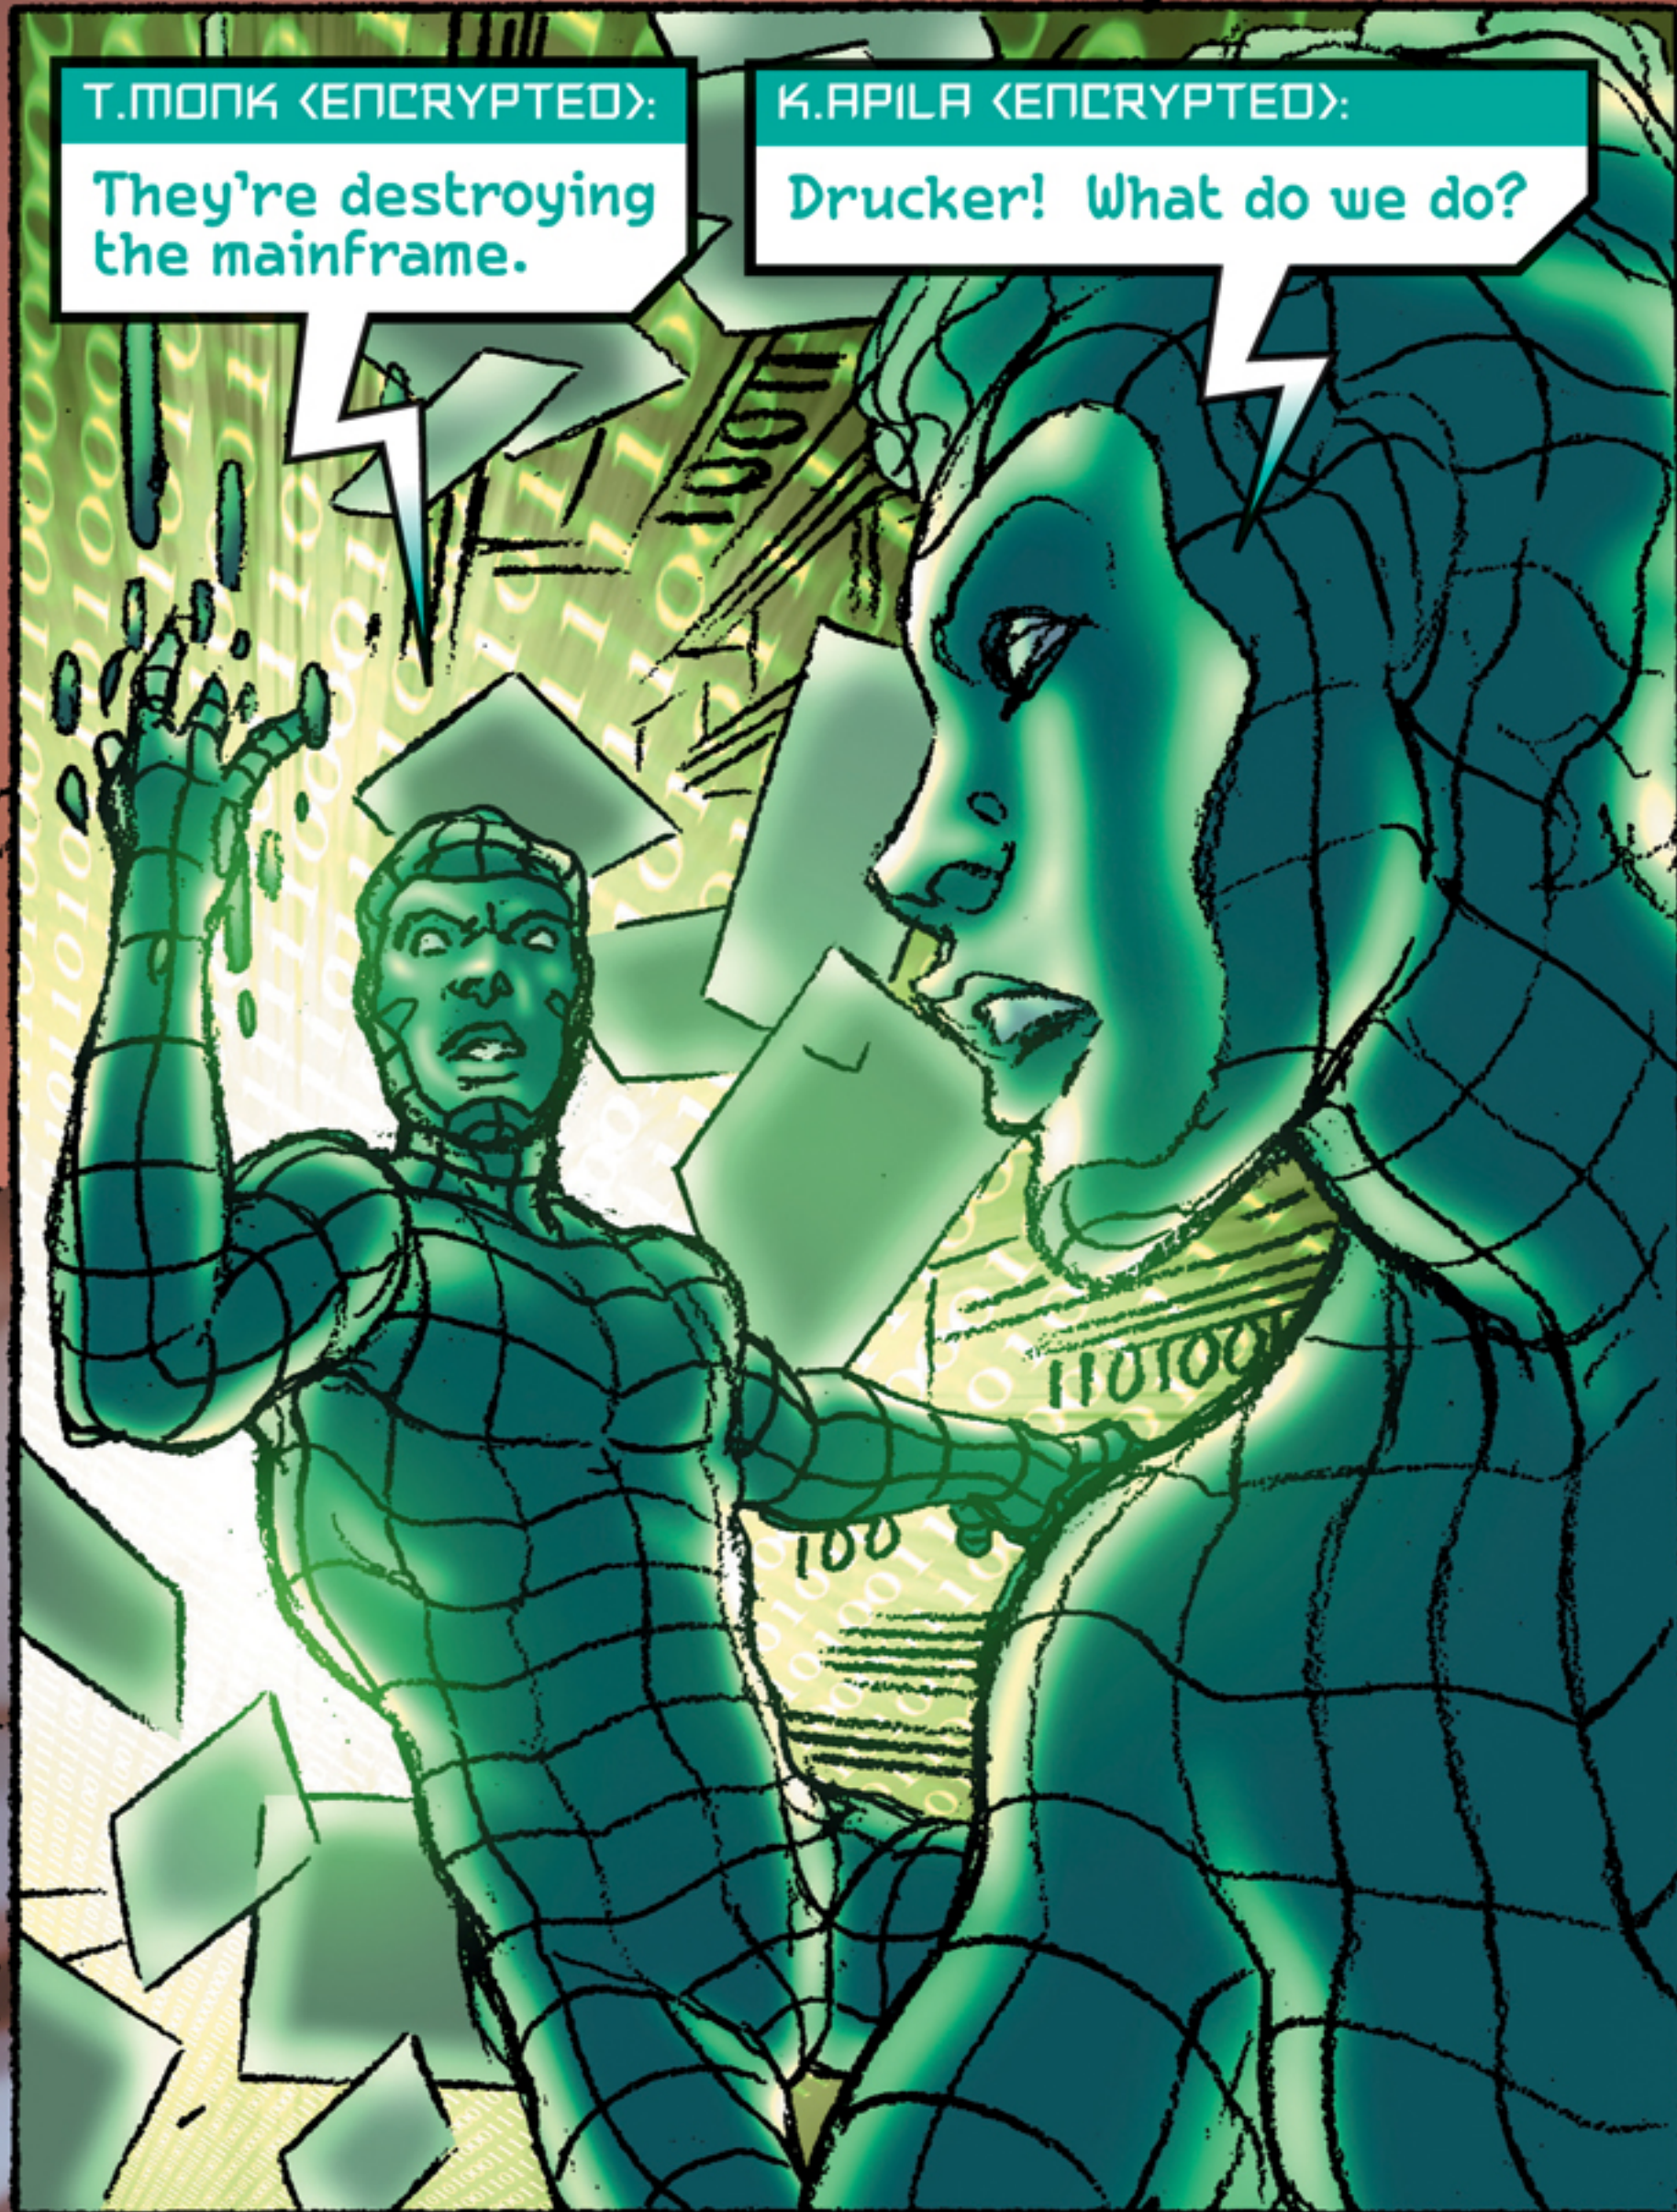

That's impossible!

Nothing's impossible
for the human mind,
I'm afraid.

Follow the data stream!

We're locked out!
